- Data Storytelling

Languages

English — Advanced
Spanish — Native

Certifications

EF Standard English Test (EF SET)

[PCEP-30-02] PCEP – Certified Entry-Level Python Programmer

Experience

Senior Data Analyst
Publicis Global Delivery (PGD)
Jul. 2021 – Present · United States

◦ Lead the analysis, production, and delivery of monthly and ad-hoc Competitive Intelligence reports for top-tier global accounts including The Coca-Cola Company (CPG / FMCG).

◦ Process and transform large-scale datasets (100K+ records) covering ad spend, impressions, creative performance, and share of voice across brands, categories, and channels (video, social, OTT, display).

◦ Develop custom automated reporting and data analysis tools in Excel (VBA / Macros), significantly optimizing processing times for international teams.

◦ Integrate generative AI tools and LLMs into analytical workflows to increase delivery speed and insight quality.

◦ Translate internal business requirements from stakeholders into actionable data solutions; provide ongoing technical support for implemented tools.

◦ Manage the full data project lifecycle in Azure DevOps: planning, sprint tracking, quality control, and deadline management.

◦ Act as Performance Manager: mentor team members in technical skills development, productivity, and career growth.

Senior Analyst VBA + Alteryx
EY International
Jun. 2019 – Jul. 2021

◦ Business Intelligence (BI) team lead: people management, task allocation, and deliverable quality control.

◦ Developed interactive dashboards and automation tools in Excel-VBA and Power BI for multiple business units.

◦ ETL and data wrangling: cleaning, transformation, and integration of data from heterogeneous sources using Alteryx.

◦ Structured data analysis and reporting from multiple sources; daily creation and maintenance of SQL (SSMS) databases.

◦ End-to-end project management from planning to execution using Azure DevOps.

◦ Delivered technical training in Excel, VBA, and Alteryx to internal teams.

Data Projects Analyst
IPG Mediabrands
Sep. 2018 – Jun. 2019

◦ Multi-dimensional business analysis: sales, brand equity, search interest, competitiveness, web traffic, social media, and advertising activity.

◦ Built and maintained Power BI dashboards to surface commercial and media insights; identified performance drivers and gaps.

◦ End-to-end data process oversight and cross-functional stakeholder coordination (clients, agencies, internal teams, vendors).

Senior Analyst
Nielsen
Dec. 2011 – Apr. 2018

◦ Data Analysis and Business Intelligence (BI) for internal and external clients across Argentina and Latin America.

◦ Generated KPI reports for multiple management levels; queried and analyzed structured databases using specialized software.

◦ Served global clients directly: Danone, The Coca-Cola Company, Unilever, PepsiCo, Clorox, Genomma, Procter & Gamble, Mead Johnson, Peñaflor, Mondelez, and others.

◦ Developed custom reports tailored to each client's specific business needs and market dynamics.

◦ Internal reporting tasks: category management, economic performance tracking via custom "baskets", and wholesale market reporting.

Education
